

# Mexico Eco-Adventure Discovery

The Eco-Adventure Discovery program is an adventurous **multi-sport** vacation in which you will experience the natural beauty and vibrant culture of Mexico. Each day is packed with fun activities; **paddle** the best of Mexican whitewater on the Antigua and Pescados Rivers, **trek** across the Mesa and experience rural village life first hand, **explore** an ancient Totonac burial ground on the summit of a solitary mountain spire, **mountain bike** to the ancient Totonac ruins of Zempoala, soar above the canopy of Mangos on a tyrolesa (zip lines) and test your vertical limits by rappelling off the Antigua Escarpment. Good times, great food and **fun adventures** all combine to make the Eco-Adventure Discovery program an **unforgettable** winter escape!
